Go on a “Teach Others Walk-About”

Procedures

1. Make these question cards into necklaces and have students wear these as you walk around school.

2. Find adults along the way for students to approach, and the adults will read these tags and ask them questions.

Ask me to do the Mindset Chant.

Ask me what I learned about Growth Mindset.

Ask me about the pathways in my brain.

Ask me to tell you about grit and determination.

Ask me about why taking deep breaths is important.

Ask me what it means to look on the bright side of things.

Ask me why it is important to practice different skills.
