Dr. Melissa Reeves

SPEAKER BIO: Dr. Melissa Reeves, Ph.D., NCSP, LPC served as the 2016-2017 President of the National Association of School Psychologists. She is currently an Associate Professor at Winthrop University, SC in the psychology department and school psychology graduate program. Dr. Reeves is a nationally certified school psychologist, licensed special education teacher, licensed professional counselor, and former district coordinator of social/emotional/behavioral services. She has over 20 years' experience working in public schools and a private school, in addition to providing mental health services in day and residential treatment settings. Dr. Reeves is a co-author of the National Association of School Psychologists (NASP) *PREPaRE School Crisis Prevention and Intervention* curriculum, former Chair of the NASP School Safety and Crisis Response Committee which provides consultation and support to school districts across the country after large scale crisis events including school shootings and natural disasters. She travels both nationally and internationally training professionals in the areas of crisis prevention through recovery, threat and suicide assessment, the impact of trauma and PTSD on academic achievement, and cognitive behavior therapy in the school setting.

ABOUT THE SESSION: This workshop is designed to enhance participants' existing knowledge base about trauma, grief, loss, and mourning. Participants will increase their levels of comfort in dealing with trauma and grief, better understand the differences between normal and complicated grieving, and learn intervention strategies to address both. Participants will achieve a better understanding of factors that influence grief and mourning, and develop specialized skills for helping children and adolescents cope more successfully with these intensely felt emotions.

2. Behavior Interventions That Work

Amie Dean

She holds a Masters degree in Education and is Nationally Board Certified as an Exceptional Needs Specialist. With 21 years experience as an educator and 10 years as a professional consultant, Amie has worked with thousands of teachers, counselors and administrators in over 250 districts to improve best practices in behavior support, student engagement, and differentiated instruction. Amie has trained with Dr. Rick DuFour, Dr. Kay Burke, Dr. Spencer Kagan, Dr. Ruby Payne, and many others.

ABOUT THIS SESSION: Do you have a plan for what you will do when a student doesn't comply with your request the first time? Second time? How about the third time? Do you go home tired and exhausted from frustration? This presentation will guide you in developing a thorough, preventative plan for handling issues from low level distractions to serious/chronic behaviors. This is a practical, hands-on presentation filled with concrete steps you can use the next day to help students and yourself.

Dr. Michele Borba

A sought-after motivational speaker, she has presented keynotes throughout North America, South America, Europe, Asia, the Middle East, South Pacific and served as a consultant to hundreds of schools and corporations, including the Pentagon and 18 US Army bases in Europe and the Asian-Pacific. Her proposal: "Ending School Violence and Bullying" (SB1667) was signed into California law in 2002. She offers realistic, research-based advice culled from a career of working with over one million parents and educators worldwide.

Dr. Borba is a frequent NBC contributor who has appeared 140 times live on the TODAY show and countless other shows including: three Dateline specials, Dr. Phil, and many others. She's a media spokesperson for numerous corporations, and a consultant to McDonalds and Disney.

Borba is the award-winning author of 24 books translated into 14 languages including *Nobody Likes Me, No More Misbehavin', Don't Give Me that Attitude!*, *Building Moral Intelligence*, *12 Simple Secrets Real Moms Know*, *Parents Do Make A Difference*, *The Big Book of Parenting Solutions*, *The 6 Rs of Bullying Prevention*, and *UnSelfie: Why Empathetic Kids Succeed In Our All-About Me World*.

She lives in Palm Springs, California with her husband and has three grown sons.

ABOUT THE SESSION: Empathy is often sidelined as a "soft skill." In Dr. Borba's presentation, *Empathy is a Verb*, she will offer hard evidence that empathy is one of the most important skills that 21st Century learners will need to thrive in a complex, global, and digitally-driven world, and why it must become an educational and societal priority. She will share ways that educators around the globe have weaved empathy-building practices into existing lessons and helped students to develop empathic mindsets in a test-driven culture. Dr. Borba will provide practical ways to creative, positive outcomes by cultivating empathy in your school. She will share her decade long journey to discover how to optimize human potential. Surprisingly, it was children from Canada to Rwanda (and numerous places in between) who offered the best ideas to cultivate empathy. The best news: if applying these simple strategies together we can revolutionize not only our schools and homes, but also society...and build the best investment for our future: human capital.
